

# MAN to unveil new TGS truck at MIBTC 2015

**KUALA LUMPUR:** MAN Truck and Bus (M) Sdn Bhd is expected to unveil its new TGS truck at the Malaysia International Bus, Truck and Components Expo (MIBTC) 2015 on May 14-16 at the Malaysia International Exhibition and Convention Centre (MIECC).

The new TGS 41.480 8 x 4 rear tipper truck, the latest addition to the Malaysian market, is tailor-made for rough off-road conditions to transport ore and seams from open-cast mines.

Managing director Hartmut Mueller said the TGS truck is the answer to businesses in the mining industry while delivering high payload and outstanding economy.

“For years, MAN vehicles have been distinguished by their robustness, reliability, comfort and value for money.

“We are committed to continuing to deliver innovative products with great advantages for our customers for many years to come,” he said in a statement. — Bernama
