

MAN has been sponsoring BVB in Germany since many years ago, supplying the team buses and a mobile fan shop.

MAN sponsors BVB buses

EXCLUSIVE: Transport for German football team for recent match with JDT

KUALA LUMPUR

MAN Truck and Bus (M) Sdn Bhd (MBTM) has been the exclusive bus sponsor for eight-time German Bundesliga champion Borussia Dortmund (BVB) when the team was in Johor Baru for a match against 2014 Malaysian Super League champions Johor Darul Ta'zim (JDT).

The BVB team arrived in Singapore on July 8 for training before travelling to the stadium in Larkin for the match on July 9.

Three MAN sponsored buses were used to transport the football team and its entourage

from Singapore to Johor Baru and back, with the team bus proudly sporting the BVB Asia Tour 2015 decal.

Hartmut Mueller, MBTM managing director said: "The BVB versus JDT match is a very significant event for us as it accords us the opportunity to be the proud coach sponsor for BVB in this part of the world.

"Both the BVB and MAN brands have a rich tradition that stands for a long history of success, and we wanted to ensure that the former UEFA Champion League finalists could enjoy great comfort on board the team bus during their Asian tour, as they

are used to in Europe".

Team buses have come to be an important part of pro soccer as they provide the soccer teams with space for the last quiet moments of concentration.

MAN has sponsored BVB in Germany for many years, supplying the BVB team bus and a mobile fan shop.

The BVB team bus comes exclusively equipped and fulfills all demands on modern travel. As the official bus sponsor for the team's first Asian tour, MAN was responsible for the land transportation of the team during the entire duration of the tour.
